MORNING MEETING ACTION ITEMS

TO: DD/I

DD/I called attention to the distribution of ADD/I's memorandum,

and briefly summarized the ADD/I's tentative conclusions. The Director noted his concern over the number of copies which had been distributed and asked the DD/I to emphasize to each recipient that the memorandum is for "in-house use only" and not to be used as a basis for community discussions, particularly COMIREX.

Maury read a letter from Senator Thurmond to various departments including CIA requesting information on any interagency groups, including the identity of the participants, which led to the NPT. The Director asked the DD/I to review this situation, particularly SIG materials, to determine whether we were in fact involved.

ACTION TAKEN 19 February:

- Item 1: All recipients of the ADDI's memo have been sent another memo instructing them to stamp the earlier memo CIA Internal Use Only and to respect this restriction without exception.
- Item 2: The DDI has sent the Director a memo on this matter.
